

## EXTENSIONS OF REMARKS

### RECOGNIZING THE CONTRIBUTIONS OF JUNE D. KREGER

**HON. GUS M. BILIRAKIS**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 21, 2023*

Mr. BILIRAKIS. Mr. Speaker, I rise to recognize the tireless contributions of one of my constituents, June D. Kreger, who was born in December of 1935. She began her VA service at the Salem, VA facility as a Medical Technologist in 1973. She and her husband, James P. Kreger Jr., moved to Florida when June was transferred to James A. Haley VA hospital in 1978. June worked at the James A. Haley VA Hospital until she accepted a position to help open the New Port Richey Veterans' Outpatient Clinic in 1985 under the leadership of Dr. Duke Miller. June Kreger retired after dedicating 20 years of service to our nation's heroes through her work at the VA. Upon her retirement she remarked that it was always her goal to help make Veterans smile. The great tennis legend, Arthur Ashe, once noted that, "True heroism is remarkably sober, very undramatic. It is not the urge to surpass all others at whatever cost, but the urge to serve others at whatever cost."

Through her daily service at the VA, June undoubtedly made a positive impact on the lives of countless local Veterans.

June is also the surviving spouse of Veteran James P. Kreger, Jr., who served in the United States Army and was stationed in Nuremberg, Germany. Both June and James were very active in their church upon retirement and also volunteered with the Meals on Wheels program for many years. At 87 years young, June Kreger lives in New Port Richey with her daughter, Wendy, and her son-in-law, Mike, who is also a Veteran. June is proud to be able to attend the Grand Opening of the new, expanded VA clinic on March 4th. She is excited to see another beautiful facility in our community dedicated to treating our local heroes and will be welcoming the new employees at the facility who will be entrusted with the task of providing outstanding quality care to all Veterans while also working to help them smile. It is my pleasure to recognize her and her family's service to our Nation on this special occasion.

### INTRODUCTION OF THE ALBERT PIKE STATUE REMOVAL ACT

**HON. ELEANOR HOLMES NORTON**

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 21, 2023*

Ms. NORTON. Mr. Speaker, today, I rise to introduce the Albert Pike Statue Removal Act, which would require the permanent removal of the statue of Confederate General Albert Pike from federal land near Judiciary Square in the District of Columbia, which was illegally torn down in 2020 and is in storage. The bill also would authorize the Secretary of the Interior to donate the statue to a museum or similar entity. In the 116th Congress, the House Committee on Natural Resources passed this bill by voice vote. This bill is part of a series of

statue and memorial removal bills I am introducing during Black History Month.

This statue, which was dedicated in 1901, was constructed using both federal and private funds. The Freemasons, of which Pike was a member, donated the majority of the money needed to build and install the statue.

I oppose destroying Confederate statues, because I believe they should be moved to more appropriate settings, like museums, to avoid erasing an important part of history from which Americans must continue to learn. Pike, a Confederate general who served dishonorably and was forced to resign in disgrace, represents the worst of the Confederacy. Soldiers under his command were found to have mutilated the bodies of Union soldiers, and he was ultimately imprisoned after his fellow Confederate officers reported that he had been misappropriating funds. Adding to the dishonor of taking up arms against the United States, Pike dishonored even his Confederate military service. He certainly has absolutely no claim to be memorialized in the Nation's capital. Even those who do not want Confederate statues removed will have to justify affording Pike any honor considering his dishonorable history.

After meeting with the Freemasons, I believe the best course of action is to remove the statue and find a more appropriate place for it. Given the statue's divisive nature, the Freemasons themselves support the statue's removal.

I urge my colleagues to support this important legislation.

### RECOGNIZING RICO MUNN

**HON. JASON CROW**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 21, 2023*

Mr. CROW. Mr. Speaker, I rise today to recognize the accomplishments of Rico Munn, Superintendent of Aurora Public Schools. At the end of the 2023 school year, Rico will step down as Superintendent to act in a supportive capacity to the district.

For more than nine years, Rico has served at the helm of the Aurora Public School (APS) district. He stepped into the role after the Aurora theater shooting when the community and many APS students were grieving. Years later, school districts were faced with an unprecedented pandemic, closing their doors to in-person learning for nearly two years. Rico worked with others in the APS system to develop a response to the pandemic that ensured students had the resources they needed to succeed.

APS is one of the largest and most diverse districts in Colorado, and Rico has always understood the importance of advocating relentlessly for and supporting the people, policies, and practices that lead to student success. Since 2013, when Rico stepped into the role of superintendent, APS has made strides in eliminating the graduation equity gap, increasing graduation rates, and decreasing dropouts.

In 2019, Rico was named Colorado's "Superintendent of the Year" and Aurora's "Man of the Year"—highlighting Rico's dedication to the students and teachers of APS, as well as the improvements and changes that occurred under his leadership.

Outside of his work as Superintendent, Rico also has an extensive history fighting for social justice causes. He served on the board of the ACLU-Denver and was principal author of the Denver Police Department's first policy against "Biased Policing." Additionally, Rico is active in many nonprofits across Colorado.

I commend and thank Rico for his years of service to the students, teachers, and families of the APS system, as well as his continued dedication to our community. As Rico transitions to a supporting role in the APS system, may his experience and commitment to students continue to be an immense asset in the years ahead.

HONORING GEORGE FRASER

**HON. J. LUIS CORREA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 21, 2023*

Mr. CORREA. Mr. Speaker, I rise today to honor the life of George Fraser (AHS Class of 1970), who was one of Anaheim High School's greatest sports legends. George passed away suddenly last weekend on February 12, 2023.

As a sophomore, George famously stepped in as quarterback and proceeded to lead the Mighty Colonists to the 1967 CIF Football Championship. George would go on to star for the Colonist football team during his junior and senior seasons, in which Anaheim reached the 4-A Division semifinals each year. He became the first and only football player to ever be named to the All-CIF-SS 4-A Division team three times. George eventually returned to coach football at Anaheim and was on staff when the Colonists again reached the CIF finals in 1987 and 2006, spending more than 20 years coaching at The Colony up to and in-

cluding last season. George also coached youth sports in the City of Anaheim for decades. George's legacy will live on in our community and through the halls of Anaheim High School. Let us join in mourning the loss of this great Colonist who was a tremendous asset to the Anaheim Community.

HONORING THE LIFE OF EDWARD  
DELEON GUERRERO PANGELINAN

**HON. AUMUA AMATA COLEMAN**

**RADEWAGEN**

OF AMERICAN SAMOA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 21, 2023*

Mrs. RADEWAGEN. Mr. Speaker, I rise today to honor the life of Edward Deleon Guerrero Pangelinan who passed away on Friday, February 3, 2023, after struggling with cancer. "Eddie" as he was known to friends and loved ones, was born on October 24, 1941.

A graduate of Howard University and the first Chamorro lawyer in the territory, Eddie was a key player in shaping the CNMI's status as a territory of the United States. As Chairman of the Marianas Political Status Commission, he led the political status negotiations resulting in the signing of The Covenant to Establish a Commonwealth of the Northern Mariana Islands in Political Union with the United States. He was the first Resident Representative from the Commonwealth of the Northern Mariana Islands to the United States. The office of Resident Representative served as the precursor to the Delegate from the CNMI to the United States House of Representatives and laid the groundwork for the territory's future representation in Congress. He would go on to serve in various roles supporting the CNMI and the territories.

Eddie will always be remembered fondly as a founding father of the CNMI and as a cornerstone of the Pacific community. We honor his legacy and thank him and his family for their public service that continues to benefit the territories to this day.

He is survived by his wife, Dulce Gatbonton Pangelinan, 6 children, and 11 grandchildren. His passing is not just a loss for the CNMI, but for the Pacific region at large. He will be missed.

HONORING LIEUTENANT NUNO  
TAVARES

**HON. DOUG LaMALFA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 21, 2023*

Mr. LaMALFA. Mr. Speaker, I rise today to recognize the career of my friend, Lieutenant Nuno Tavares with the Placer County District Attorney's Office. Nuno has over 26 years of service in law enforcement and has had an exemplary career. I met Nuno 13 years ago when he was on the Board of Directors of the Placer County Deputy Sheriff's Association. We have had a great friendship over the years based on respect of the law, compassion and justice for victims, and public service. It was great to have Nuno and the DSA come by the California State Capitol when I was there. Later on, it was our pleasure to have Nuno and his family here to our Nation's Capital in Washington DC. I always enjoyed the times Nuno and I had to catch up, and to hear what our investigators and law enforcement deal with.

Nuno has worked in law enforcement since 1995. He spent 10 years on a Narcotics Task Force and oversaw areas like Cold Cases, Homicides, Special Investigations, and the Special Projects Unit.

It has been a pleasure knowing Nuno over the years. My congratulations to him in his retirement. I look forward to hearing what his plans are next. My best to Nuno and Jessica, and their children as they start this new chapter in their lives. God Bless Nuno and his family. God Bless the work he has done and the justice for victims he ensured. I thank him for his service to Placer County.
